**FROM THE EDITOR'S DESK**

We, the Editorial committee have great privilege on releasing the First ever News Letter of K.K. College of Pharmacy. This news letter carries the information of our achievements and activities that happened in our campus. We extend our sincere thanks to our beloved Chairman for the generous support and also grant permission to release the Departmental News Letter which will serve as a platform for today's Pharmacists to share the knowledge and recent advances pertaining to the Pharmacy Profession.

**FROM THE CHAIRMAN'S DESK**

It is a great pleasure to know that K.K.College of Pharmacy is releasing the News Letter in connection with 50th National Pharmacy Week celebrations. It is the duty of the Pharmacist to create awareness about the profession to the public. The role of pharmacist is not only dispensing of drugs but also to do professional service to the suffering humanity. I appreciate the staff of our institution for their active participation in bringing out the New letter in successful manner.

**FROM THE PRINCIPAL'S DESK**

I am extremely glad that we are releasing our First News Letter under the guidance of our Chairman, Prof. K.R. Arumugam. I appreciate the efforts of our editorial team and enthusiasm. Pharmacists are backbone of the Medical field. No drug can be evolved without a pharmacist. We, pharmacist should serve the nation and lead our profession to greatest heights.

**FROM THE DIRECTORS DESK**

I am extremely pleased to learn that we are releasing the News Letter. We, Pharmacists are second to none as long as we do our job sincerely and honestly. The area of Pharmaceutics and Pharmaceutical chemistry and Pharmacology is to be more strengthen to meet the global challenge. It is our profound duty to create awareness of our importance to the public. I congratulate Prof. A. Meena, Principal and the editorial team for the excellent logistics in releasing this News Letter.
